Additional incentives shown are available for any Central Ohio CASTO community or Oakwood Management resident in good standing. Buyer must be represented by CASTO Residential Realty on their new home purchase with Rockford Homes and disclosed on their initial visit. \*\$3,000 closing cost is provided by a seller contribution of \$1500 from Rockford homes and \$1500 from CASTO Residential Realty and will be reflected as such on the final closing disclosure. \*\*\$5,000 in free options is only available on contract-to-build purchases and can be added to the current Rockford Homes incentives for customers entering a new purchase agreement. All offers and promotions are subject to change, availability or delay without notice. Some inventory homes may not qualify for additional incentives. Offers not available for renegotiation on existing contracts and may not be applicable in all communities. Other restrictions apply. Please see a Rockford Homes New Home Consultant for more details. All rules and restrictions of CASTO's Home Purchase Program shall apply and are subject to change.
